Policing the “Olympia Way” is all about building working partnerships between the police and community members. Our volunteer program is a means to help build these partnerships. We celebrate diversity and are continuously looking for new programs that enhance public safety and community involvement. Please call us if you have an idea for a new program or would just like to become an OPD volunteer.

OLYMPIA POLICE DEPARTMENT IS RECRUITING VOLUNTEERS

You must be at least 18 years of age, pass a background check, complete the volunteer orientation and attend specialized training in the area you will be working.

If you enjoy working with people and have a passion about your community, we look forward to hearing from you!

Volunteers in the administrative program help with filing, mailings and preparing community education material.

Volunteers assist with community education and traffic control at special events.

Downtown Ambassadors act as extra eyes and ears for the police and give information to visitors, businesses and residents. They are based in our downtown substation
